NEXUS KEYS

Acer Chromebook Spin 13 · Omarchy · **Search** is the Super key (left side, where Caps Lock usually is)

THE TOP ROW

esc	←	→	↻	⛶	▭▯	☼−	☼+	🔇	🔉	🔊
Escape	F1 **Back** browser, Files	F2 **Forward** browser, Files	F3 **Reload** browser	F4 **Full screen** window on/off	F5 · overview **NEXUS menu** Shift: search Alt: jobs Ctrl: screenshot Ctrl+Shift: capture	F6 **Dimmer** Alt: fine Shift: min	F7 **Brighter** Alt: fine Shift: max	F8 **Mute** Shift: switch output	F9 **Quieter** Alt: fine	F10 **Louder** Alt: fine

Search + any top-row key = the real F1–F10 (for apps that need F-keys). Volume and brightness also work on the lock screen.

NEXUS

▭▯ or Search ;	Command menu
Shift ▭▯	Open straight into search
